

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

---

CRAIG T. BATES,

Plaintiff,

ORDER

v.

Case No. 16-cv-745-jdp

JON LITSCHER, et al.,

Defendants.

---

Plaintiff Craig T. Bates has a deadline of December 27, 2016 to pay the initial partial payment of the filing fee in this case. Now plaintiff has submitted a letter request to waive the initial partial filing fee. Plaintiff's request will denied without prejudice.

The account statement that plaintiff filed with his complaint shows that he receives regular deposits to his trust fund account. Because plaintiff may be able to make the initial partial payment from the next deposits made to his account, I will extend the time to January 17, 2017 in which to pay the \$1.26 initial partial filing fee. If, by January 17, 2017, plaintiff is unable to pay the initial partial payment, he is free to renew his request to waive the initial partial filing fee, supported by a recent account statement and any correspondence from his business office. The \$1.26 initial partial fee is to be given priority over debts and obligations plaintiff might owe. Plaintiff should show a copy of this order to prison officials to insure that they are aware they should send plaintiff's initial partial payment to this court.

ORDER

IT IS ORDERED that,

1. Plaintiff Craig T. Bates's request to waive the initial partial filing fee in this case is DENIED without prejudice. Plaintiff may have an enlargement of time, to January 17, 2017, to pay the \$1.26 initial partial filing fee in this case. This initial partial payment is to be given priority over debts and obligations plaintiff might owe.

2. If, by January 17, 2017, plaintiff fails to make the initial partial payment or show cause for failure to do so, plaintiff will be held to have withdrawn this action voluntarily and the case will be closed without prejudice to plaintiff's filing this case at a later date.

Entered this 20<sup>th</sup> day of December, 2016.
